You have been Misidentified

**You need to know that your identity, as an American,
has been stolen, at least twice.**

**You have been misidentified as a "United States
Citizen"**

(Territorial Citizen)

and then redefined as a "Citizen of the United States"

(Municipal CITIZEN)

You need to come home to the land and soil of your
county
and declare your true status as American State National
or
American State Citizen as the basic means of
declaratory relief.
